FROG'S LEAP

2019 CABERNET SAUVIGNON
ESTATE GROWN – RUTHERFORD, CA

94

“The 2019 Cabernet Sauvignon Estate Grown is a firm, classically built wine that is going to need

a few years to come into its own. There is admirable depth as well as character. Red cherry/plum fruit, spice, tobacco and mocha lend quite a bit of aromatic nuance to this mid-weight, super-expressive Cabernet from Frog's Leap.”

DRY-FARMED AND ORGANICALLY GROWN

OUR CABERNET STORY For decades, it has been our goal to produce a Rutherford AVA, estate-grown Cabernet Sauvignon. Inspired by the early Cabernets of Inglenook and Beaulieu Vineyard, we've spent the past 20 years finding, farming, and obtaining highly sought-after land in Rutherford — with particular attention to the Rutherford bench — to perfect our craft. Years of effort with organic viticulture, dry farming and minimal cellar intervention yield a wine that could not be produced outside of the ten square miles that define its appellation. — *John & Rory Williams*
