

AS SEEN IN JUNE JULY 2024 BUYING GUIDE

WINE ENTHUSIAST®

91 Points

Frog's Leap 2022 Shale and Stone Chardonnay (Carneros-Napa Valley). Flavors of ripe apple, quince, lemon pith and wet stone are carried by bright acidity into a very long finish. The freshness and purity of this wine lean towards austerity but are balanced by bright flavor and a light spice accent for an energetic and restrained white wine. —E.C.B.
