FROG'S LEAP

2023 SAUVIGNON BLANC
RUTHERFORD, NAPA VALLEY

93
POINTS

“A balanced, refreshing and satisfying Sauvignon Blanc, this crisp white wine dances with flavors

of lime and grapefruit, lemongrass and papaya with a sprinkle of sea salt. Lifted and delicious with an ultralong finish.”

DRY-FARMED AND ORGANICALLY GROWN

OUR SAUVIGNON BLANC STORY In the 42 years that have passed since our debut vintage, we've stayed true to the ideals we laid out at the very beginning. Today the wine is still made from 100 percent Sauvignon Blanc grapes, farmed in such a way as to keep the alcohol low, the acidity high, and the flavors crisp, refreshing and complex. The changes that we've made along the way have served to enhance the wine and reinforce our ideals: organically-certified and dry-farmed vineyards to deepen our connection with the soil; increasing amounts of estate-grown fruit, to allow us to fine-tune the vines to our liking; subtle changes to winemaking, designed to maintain freshness while adding depth and complexity.
